

April 6, 1977

LB 510, 404, 447, 450, 45

CLERK: Mr. President, there is pending an amendment offered by Senator Murphy which was offered on March, I think, 29th. It is found on page 1137 of the Journal. It reads as follows: Read.

PRESIDENT: Senator Murphy.

SENATOR MURPHY: I am sorry, Mr. Chairman, I thought we had that bracketed for a period when it came up the other day. In trying to resolve some of this, I would ask unanimous consent that that be laid over at least until Tuesday.

PRESIDENT: Do you have anything on bracketing, there?

CLERK: The last time it was laid over it was until April 6th which is today.

PRESIDENT: Okay, until what date, Senator Murphy.

SENATOR MURPHY: I will be willing to take it up Tuesday.

PRESIDENT: Is there an objection? Seeing none, it shall be laid over until....oh, Senator Luedtke.

SPEAKER LUEDTKE: We are going to have so much on Tuesday that some of you had better start putting some things over until Wednesday because Tuesday is an impossible day right now.

SENATOR MURPHY: In deference to the Speaker, every day is impossible but Wednesday will be fine, Mr. Speaker.

CLERK: Mr. President, the Urban Affairs Committee gives notice they will hold an executive session at 2:45 which is now under the North balcony. Signed W. George, Chairman. Mr. President...

PRESIDENT: Is there an objection to Senator Murphy's request? Seeing none, that is so ordered. The bill is held over until Wednesday.

CLERK: Mr. President, your committee on Public Works to whom was referred LB 404 instructs me to report the same to the Legislature the recommendation it be placed on General File as amended; 447 General File as amended; and 450 General File as amended. Signed Senator Kremer, Chairman. Yes, Mr. President, there are E & R amendments on LB 45.

PRESIDENT: Senator Cullan.

SENATOR CULLAN: Mr. President, we will not take up LB 45 today with the E & R amendments. They need to have some corrections made prior to adopting them.

PRESIDENT: All right.

CLERK: Then, Mr. President, we have a kill motion on it but the bill was replaced on Select File for E & R amendments so nothing else can be considered.

PRESIDENT: Senator Mills.
